AR 55-46, 20 June 1994, is supplemented as follows:

**Page 1, paragraph 1-8c, Commanders of Major Army Commands.** Add the following:

In USAREUR, the Commander, 1st Personnel Command (1st PERSCOM), will establish primary and alternate student-travel program administrators. This responsibility will not be further delegated.

**Page 2, paragraph 1-10, Overseas Commanders.** Add the following

In USAREUR, personnel detachment (PD) commanders will perform the functions in the basic paragraph, a through d below. In USAREUR, base support battalion (BSB) commanders will perform the functions in the basic paragraph, e and f below.

**NOTE:** In operational area support groups (ASGs), the ASG commander will perform the duties prescribed in this supplement for BSB commanders.

**Page 2, paragraph 1-13, Service Requirements.** Add subparagraph d as follows:

d. In USAREUR, sponsors who are ineligible to extend a service or overseas tour to meet the 12-month time-in-station requirement must request an exception to policy.

(1) Requests for exception to policy will be forwarded to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081. The request will be forwarded by 1st PERSCOM to HQDA for consideration.

(2) Each request must state the reason why the soldier is ineligible to extend to meet the 12-month requirement.

**Page 2, paragraph 1-14a, Family Members of Soldiers Not Entitled to Transportation or Who Enter the Command Without Proper Endorsement.** Add subparagraphs (3.1) through (3.8) as follows:

(3.1) Family members who arrive in USAREUR without official orders or travel authorization are not command sponsored.

(3.2) PD commanders may recognize family members as command sponsored if they arrive in USAREUR with official orders or travel authorization unless an exception to policy is required for the command sponsorship. (For example, if a soldier does not have at least 12 months remaining on tour, or if a family member has special medical or educational needs, an exception to policy is required for the command sponsorship.) Requests for exception to policy will be forwarded to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081.

**NOTE:** If the PD commander recommends disapproval of command sponsorship, the request must be sent to the BSB commander for final decision.

(3.3) Before approving command sponsorship, the PD commander will verify that the soldier—

(a) Is accompanied by family members.

(b) Is serving a 36-month accompanied tour. Soldiers unwilling or unable to serve a 36-month tour will not be authorized command sponsorship. This requirement will not be waived.

(c) Has 12 months or longer remaining in USAREUR after arrival or acquisition of family members.

(d) Does not have family members enrolled in the Exceptional Family Member Program (EFMP). If the soldier has a family member enrolled in the EFMP, the PD commander will forward the request for command sponsorship to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081.

(3.4) When command sponsorship is granted, the latest of the following dates will be the effective date of command sponsorship:

(a) Date the command sponsorship is requested.

(b) Date family members arrive in command.

(c) Date soldier extends to meet tour requirement.

(d) Date tour status is changed.

(3.5) Family members who have been placed in the legal custody of the soldier because of a court order may be command sponsored if they meet the definition of dependent as defined by the Joint Federal Travel Regulation (JFTR), appendix A. The court order must have been issued by a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States. The family member must have been placed in the soldier's custody for at least 12 months.

**NOTE:** An affidavit, power of attorney, or other document prepared by a military legal office or notary public is not acceptable for determining eligibility for command sponsorship or travel entitlements.

(3.6) Special provisions apply when a dual military couple is stationed overseas and one soldier is separated from the service at the overseas location. The separated soldier will be command sponsored automatically on the date of discharge if the sponsor is scheduled to complete the tour length designated for an accompanied assignment.

(3.7) Family members who use space-available travel authorization will be considered command sponsored on the date they arrive overseas.

(a) To qualify family members for space-available travel and command sponsorship, the soldier must be serving a 36-month tour and must have at least 12 months remaining overseas after the date the family members arrive.

(b) Command sponsorship must be requested for family members who were authorized space-available travel but chose to travel to the overseas command at personal expense.

(3.8) Close blood and affinitive relatives (this supplement, para 1-18c) who cannot be command sponsored may be authorized member-of-household status. USAREUR Regulation 600-700 provides information on member-of-household restrictions, entitlements, and application procedures. Sponsors will not be authorized additional living space or housing allowance for members of household. Members of household—

(a) Are authorized the same support as their sponsors except for legal assistance and medical care.

(b) Are authorized only space-available travel during the sponsor's permanent change of station (PCS).

(c) Who later obtain command sponsorship will be authorized the same support as their sponsors.

**Page 2, paragraph 1-14a, Family Members of Soldiers Not Entitled to Transportation or Who Enter the Command Without Proper Endorsement.** Add subparagraph (6) as follows:

(6) Approval is required from 1st PERSCOM for command sponsorship of family members with special medical or educational needs. Requests will be forwarded with pertinent medical or educational documentation to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081.

**Page 3, paragraph 1-15b, Soldiers Who Acquire Family Members After Assignment Overseas.** Add the following:

Soldiers must reenlist or extend their enlistment as required to meet tour-length requirements for change-of-tour approval. PD commanders may approve a request to change a tour from unaccompanied to accompanied if the soldier can serve a 36-month tour. Soldiers already on a 36-month tour must serve at least 12 months in the command after acquiring family members.

**Page 3, paragraph 1-15, Soldiers Who Acquire Family Members After Assignment Overseas.** Add subparagraphs f through l as follows:

f. Soldiers with command-sponsored family members are not required to apply for command sponsorship of family members born or adopted while in the command. The requirement to have 12 months remaining in the command from date of birth or adoption does not apply.

g. Dual military couples who acquire a family member and who do not already have command-sponsored family members are not required to apply for command sponsorship if they meet the overseas tour-length requirement for an accompanied tour. Unit commanders will advise soldiers to reenlist or extend their overseas tour as needed to meet the tour-length requirement for command sponsorship.

(1) Soldiers who do not meet the tour-length requirement on the date of birth or adoption of a family member must request command sponsorship when the tour-length requirement is met.

(2) After the family member is born or adopted, the effective date of command sponsorship will be one of the following:

(a) If the soldier meets the tour-length requirement, the date the family member is born or adopted.

(b) If the soldier does not meet the tour-length requirement, the date the soldier requests command sponsorship after meeting the tour-length requirement.

h. PD commanders will advise soldiers who acquire family members from the continental United States (CONUS) after the effective date of their PCS that their family members are authorized travel only on a space-available, nonreimbursable basis. Shipment of household goods and unaccompanied baggage for newly acquired family members is prohibited.

**NOTE:** This policy does not apply to the travel of children born to a spouse of a soldier when that spouse was a dependent on the effective date of PCS and has deferred-travel orders or travel was delayed because of the pregnancy.

i. Soldiers who acquire family members after PCS may request conditional command sponsorship before moving the family members to the overseas command.

(1) Conditional command sponsorship will only allow the soldier to be processed for quarters through the housing office. No other entitlements are authorized under conditional command sponsorship. When quarters are acquired, the PD and housing office will release a space-available message to allow for the movement of the family members from CONUS.

(2) If family members travel to the overseas command at personal expense, the soldier must request command sponsorship when they arrive.

(3) Conditional command sponsorship and command sponsorship for family members acquired after PCS must be approved by 1st PERSCOM.

j. Soldiers who want to return family members to the overseas command at personal expense after advance return to CONUS of those family members must request conditional command sponsorship.

(1) Conditional command sponsorship will only allow the soldier to be processed for quarters through the housing office. No other entitlements are authorized under conditional command sponsorship.

(2) The soldier must request command sponsorship immediately when the family members arrive at the overseas command.

(3) The conditional command sponsorship and command sponsorship for family members who return to the overseas command after advance return to CONUS must be approved by 1st PERSCOM.

k. A soldier who marries a local or third-country national may request command sponsorship when the soldier's change of tour has been approved.

l. Single soldiers without family members who become pregnant while serving in an overseas command, or are pregnant on arrival at an overseas command, must serve a 36-month tour to be eligible for command sponsorship. Pregnant soldiers on orders to overseas commands should commit to a 36-month tour before moving overseas.

(1) Pregnant soldiers who do not extend their overseas tour to meet the 36-month tour requirement will not be authorized command sponsorship. The 36-month requirement will not be waived. Soldiers who refuse to meet the tour-length requirement should be briefed on the financial burden of having noncommand-sponsored family members in the command.

(2) For the soldier to be issued quarters before the child is born, the soldier must request conditional command sponsorship when the tour-length requirement is met. Conditional command sponsorship will be converted to full command sponsorship on the child's date of birth. Requests for conditional command sponsorship will be forwarded to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081 for determination.

(3) Commanders will brief pregnant soldiers on their responsibilities to ensure all entitlements are received for the newly acquired family member.

**Page 4, paragraph 1-18, Transportation for Close Blood and Affinitive Relatives.** Add subparagraph c as follows:

c. Space-required travel, advance return, escort authorization, and command sponsorship are not authorized for close blood and affinitive relatives who do not have family-member status according to applicable regulations. Exception for space-required travel may only be authorized if the family member meets the requirements in this supplement, paragraph 5-5.3e.

**Page 5, paragraph 2-10a, Change of Tour From "Unaccompanied" to "Accompanied."** Add subparagraphs (1) and (2) as follows:

(1) In USAREUR, the PD commander may approve a soldier's request for entry of family members into the overseas command if the soldier meets requirements for an accompanied tour. The PD commander may approve a change of tour if the soldier can serve a 36-month accompanied tour.

(a) Soldiers already serving a 36-month tour must serve 12 months in the command after the family members arrive.

(b) Soldiers with less than 12 months remaining on a 36-month tour must extend their tour to meet this requirement.

(2) Before a change of tour can be approved, the family must be screened for EFMP enrollment. If the soldier has a family member enrolled in the EFMP, it must be determined if adequate care is available for the family member in the assignment area. The request for change of tour and all medical and educational documentation, as appropriate, must be forwarded to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081. 1st PERSCOM will approve or disapprove requests based on determination by medical authorities, education authorities, or both.

**Page 5, paragraph 2-10, Change of Tour From "Unaccompanied" to "Accompanied."** Add subparagraph c as follows:

c. Requests to change a tour from unaccompanied to accompanied in USAREUR will be forwarded for action to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081, if either of the following apply:

(1) Soldier has a family member with special medical or educational needs.

(2) The request is questionable, or a decision to approve or disapprove the request cannot be reached.

**Page 9, paragraph 4-2c(4), Custody.** Add the following:

In USAREUR, student family members are not entitled student travel if their custody has been awarded to anyone other than the sponsor or command-sponsored spouse assigned to USAREUR. Sponsors who have joint custody of a student family member may request student travel if the student is a dependent as defined in the JFTR, volume I, appendix A (the dependent's primary residence is with the sponsor when the student is not in college).

**Page 9, paragraph 4-2c, Restrictions.** Add subparagraph (9) as follows:

(9) Spouses may not participate in the Student Travel Program.

**Page 9, paragraph 4-3a, Application.** Add subparagraphs (3) through (5) as follows:

(3) In USAREUR, sponsors may use AE Form 55-46A-R (Request for Student Travel) to request Government-funded travel for student family members pursuing undergraduate studies at a college or university in CONUS.

(a) Sponsors will submit a completed AE Form 55-46A-R, a copy of their PCS orders with all amendments, and a verification from the college or university that the family member is a full-time student to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081. Enrollment verification must be submitted with each request and must be current within 6 months of the requested travel.

(b) Requests for Government-funded student travel for children attending a secondary school in CONUS must be accompanied by a verification of enrollment and a statement of nonavailability from Department of Defense Dependents Schools (DODDS).

(4) By signing the request for student travel, the sponsor and PD confirm that—

(a) The sponsor is accompanied on this tour by command-sponsored family members (unless all child family members are college students).

(b) The sponsor has full custody of the student. When the student is the subject of a court order, the sponsor must have been granted full custody and control by the court.

(c) The family member is not married and will be under 23 years old at the time of travel. Students who have reached the age of majority (basic AR, para 4-2c(4)) may be authorized student travel if they otherwise meet the definition of dependent prescribed in the JFTR, volume 1, appendix A.

(d) The family member is attending an accredited college in the United States for the purpose of obtaining an undergraduate college education, or the family member is attending a secondary school because the child was not eligible to attend a DODDS school other than on a 7-day-a-week basis. Student-travel requests for children attending a secondary school must be accompanied by a copy of the statement of nonavailability from DODDS ((3)(b) above).

(e) The family member is enrolled as a full-time student (12 semester hours or equivalent).

(f) The family member has not used the student-travel entitlement for the current fiscal year.

(g) The family member has not been advance-returned to CONUS at Government expense during the sponsor's present tour.

(5) Questions concerning the student travel program should be referred to the Family Travel Branch, 1st PERSCOM (379-6439).

**Page 12, paragraph 5-3, Family Members Acquired After the Effective Date of PCS Orders and Desiring Travel to the Overseas Location.** Add subparagraph c as follows:

c. In USAREUR, family members acquired after the effective date of the PCS are authorized space-available travel if they are cleared for command-sponsorship approval. Acquired family members are not authorized shipment of privately owned vehicles, household goods, or unaccompanied baggage.

**Page 12, Chapter 5, Family Member Travel.** Add paragraphs 5-5.1 through 5-5.3 as follows:

#### **5-5.1 Family Members Who Travel to USAREUR After Arrival of Sponsor (Nonconcurrent Travel)**

a. To process nonconcurrent travel for family members in USAREUR, the soldier, the PD, and the family housing office must take the following steps:

(1) The PD will enter into the USAREUR Community Automation System (UCAS) database all family information pertaining to the soldier. An escort request may also be processed at this time. To qualify as an escort, the soldier must be a

sole parent or part of a dual military couple and must have requested and been denied concurrent travel to the overseas unit. Family members must be under 12 years old to be eligible for escort authorization.

(2) When quarters are projected, the family housing office will add housing data to the information previously inputted by the PD during inprocessing and will release a message authorizing family travel.

(3) Inquiries by soldiers on the status of nonconcurrent-travel messages should be directed to the local PD or family housing office. The Family Travel Branch, 1st PERSCOM, does not process or receive nonconcurrent travel messages.

b. PDs will ensure that sole-parent soldiers on their first enlistment who request family-member travel did not violate AR 601-210, rule F, when custody was regained after enlistment.

c. Families with exceptional family members will not be processed for movement to USAREUR until clearance is granted by the European Regional Medical Command, DODDS, or both as required. Requests for movement involving exceptional family members will be cleared through the Family Travel Branch, 1st PERSCOM, 379-7981.

#### **5-5.2. Early Arrival of Family Members in USAREUR**

When a soldier requests early arrival overseas for family members, the request for early arrival must be approved by 1st PERSCOM before family members may be moved.

a. Soldiers who move family members overseas without approval will not be authorized reimbursement for family-member travel expenses.

b. Approval of early arrival authorizes the family members to use Government-funded travel. Command sponsorship will not be effective until the sponsor arrives at the overseas command.

#### **5-5.3. Custody Requirements for Command Sponsorship and Transportation Authorization**

a. Soldiers must have legal custody of their family members to qualify for command sponsorship and Government-funded transportation. When required by the JFTR, volume I, appendix A, custody must have been granted by an order issued by a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States.

b. The following requirements for custody must be met before overseas travel may be authorized for family members of soldiers who have joint custody:

(1) Soldiers with joint custody who have also been granted physical custody may bring family members to the overseas command only when the family members will establish residence with the soldier for the entire tour.

(2) Persons with visitation rights must provide a notarized statement that waives those rights and gives the soldier or soldier's spouse authorization to move the family member overseas for the duration of the soldier's overseas assignment.

c. Command sponsorship and space-required travel may be authorized for a soldier's or a spouse's parent, stepparent, adoptive parent, or other person (including a former stepparent) who has stood in loco parentis to the soldier at any time for a continuous period of at least 5 years before the soldier became 21 years old.

(1) To be eligible for command sponsorship and space-required travel, the person must reside with the soldier and be dependent on the soldier for more than one half of his or her support. Dependency determination from the Defense Finance and Accounting Service is the only acceptable proof.

(2) To qualify for space-required travel, dependency determination must have been approved before the effective date of the PCS orders. When dependency is determined after the effective date of the PCS orders, space-available travel will be authorized.

d. Guardianship of an individual must be supported by order of a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States. The order must direct that the individual be placed in the legal custody of the soldier for at least 12 months.

**Page 13, paragraph 5-8, Early Return of Family Members Due to Official Situations.** Add subparagraph d as follows:

d. In USAREUR, the ASG commander is the approving authority for return of family members to CONUS under the provisions of the JFTR, volume 1, paragraph U5240-B. Soldiers who return family members to outside the continental United States (OCONUS) at personal expense must request command sponsorship if they return. The ASG commander may approve or disapprove the command-sponsorship request, or require the soldier to resubmit the request after a determined period of time.

**Page 13, paragraph 5-9, Advance Return of Family Members Due to Personal Situations.** Add subparagraphs d through i as follows:

d. In USAREUR, before approving advance return of family members, it must be determined that the family's problems cannot be resolved in the overseas command. The use of available resources, both on- and offpost, must be exhausted before the advance-return request can be approved. Approving authorities for advance-return requests must--

(1) Carefully evaluate each case and determine whether the advance return of the family members is in the best interest of the Government, the soldier, and the family.

(2) Consider recommendations from chaplains, mental-health agencies, financial-management counselors, medical and educational specialists, or other applicable specialists or agencies.

e. Advance-return authorization will not be used in place of a soldier's family-care plan during temporary duty (TDY) or deployment. Family-member travel to the care-provider's location will be at personal expense, except as authorized by the basic AR, chapter 6.

f. In USAREUR, the BSB commander is the approving authority for advance return of family members. This authority may not be delegated. If doubt exists as to whether eligibility criteria have been met or if guidance is needed, the BSB commander may forward the application, with appropriate recommendations and comments, to the Commander, 1st PERSCOM, ATTN: AEUPE-PSSD-PAD-PMB, Unit 29058, APO AE 09081.

g. Soldiers who receive advance-return orders must process through the local official travel office for family-member movement. Soldiers who return family members to CONUS at personal expense before advance-return orders are issued will not be reimbursed for travel. After-the-fact requests for advance return must meet the requirements of the JFTR, volume 1, paragraph U5240-D1. The BSB commander is the approving authority for after-the-fact requests.

h. Soldiers who return family members to an overseas location at personal expense after those family members returned to CONUS must request command sponsorship. Command-sponsorship requests and recommendations from the soldier's chain of command will be forwarded to the BSB commander for consideration. Soldiers who return family members to an overseas location at personal expense must serve 24 months after command sponsorship is approved. This requirement will not be waived.

i. Soldiers granted advance return of family members are authorized to move the family members and household goods from the location in the United States where the family members reside to the soldier's new permanent duty station (PDS) once the soldier leaves the overseas command.

**Page 14, Chapter 5, Family Member Travel.** Add paragraph 5-11.1 as follows:

**5-11.1. Transportation and Travel Entitlements on Overseas Separation of a Soldier Who was Married to Another Soldier When Both Were Assigned in Europe**

a. Separating soldiers are authorized travel from their last PDS to the active-duty spouse's duty station.

b. Household-goods shipment is authorized from the separating soldier's last PDS to the active-duty spouse's duty station.

c. When a former soldier returns to an overseas command at personal expense, the sponsor must request command sponsorship. Authorization requirements and the command-sponsorship effective date will be according to the basic AR, paragraph 1-13.

**Page 14, paragraph 6-3b, Transportation Under Unusual or Emergency Circumstances.** Add the following:

In USAREUR, requests for escort authorization will be forwarded to 1st PERSCOM on DA Form 4187 (Personnel Action) with a copy of early-return orders that were issued according to the JFTR, paragraph U5240, and all endorsements. The DA Form 4187 will include the following information:

(1) A statement that the soldier is the sole parent or part of a dual military couple. A sole parent is defined as a parent soldier who has never been married, is a widow or widower, or is divorced. Soldiers who are separated from their spouses are not considered sole parents.

(2) The escort's name, grade, and social security number (if dual military couple).

(3) Name, date of birth, and passport number of each family member to be escorted.

(4) Address to where advance return is authorized.

(5) Statement that says the soldier has legal custody of the family members.

**Page 14, paragraph 6-3, Escort Travel by a Sole-Parent Soldier or Dual Military Couples.** Add subparagraphs c through f as follows:

**c. CONUS to OCONUS Escort Authorization for Sole-Parent Soldiers.** For sole-parent soldiers to obtain escort authorization to return to CONUS to escort minor family members to the overseas command, the following must apply:

(1) The request for concurrent travel of family members was denied by 1st PERSCOM.

(2) Sole-parent soldiers on first enlistment who regain custody of a child born before entering active duty must not be in violation of AR 601-210, paragraph 2-9.

(3) When applicable, soldier's divorce from a civilian spouse is final. Soldiers separated from their spouses are not authorized escort authorization for minor family members.

(4) When applicable, the legal custody of the family member must be established. Family members must have been placed in the legal custody of the soldier as a result of an order of a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States.

**d. CONUS to OCONUS Escort Authorization for Dual Military Couples.** For dual military couples to obtain escort authorization to return to CONUS to escort minor family members to overseas command, the following must apply:

(1) The request for concurrent travel of family members was denied by 1st PERSCOM.

(2) When applicable, the legal custody of the family member has been established. The family member must have been placed in the legal custody of one of the soldiers as a result of an order of a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States.

**e. Requesting Escort Authorization.** In USAREUR, soldiers will request escort authorization at the PD when processing requests for family-members travel. The PD will indicate escort approval in UCAS when that authorization exists. In USAREUR, escort TDY will be limited to 5 days. Additional time will be charged as ordinary leave.

**f. Escort Authorization for Soldiers Who Change Tour From Unaccompanied to Accompanied.** Soldiers who elect to serve a 24-month unaccompanied tour and who change their tour after arriving at the overseas location are not eligible for escort authorization. Travel to CONUS to accompany family members moving to the overseas command will be at the soldier's expense.
